

# EDUCAZI

Continuous Professional Development for Teachers

**Educazi, A fuelbee**-exclusive teachers training program, is keen on enriching teachers with continual education programmes. We strongly believe that the empowerment of a teacher can benefit many students in need of academic guidance. We aim to reach as many teachers as possible, specifically in sub-urban & rural areas, to upgrade their knowledge & skills for enhanced competency in teaching, which consequently results in improved standards in Educational Institutions.
